

Damao Solutions
THINK, TRANSFORM THE FUTURE

INTRODUCTION

Established in 2014, Damao Solutions Ltd is committed to offer the best construction, transport and Lifting services in Kenya. We provides reliable solutions in construction transport (loading and dumping) lifting and construction (Civil and Road Works, Dams, Drainage and buildings)

The company has been formed by a group of professionals having vivid experience and wide exposure in the Construction Industry. People involved here are young qualified business graduates and qualified engineers from the renowned universities across the globe.

Damao Solutions prides itself as being customer centric since we believe this is what has propelled us to be one of the leading construction and transport and heavy machinery logistics company in East Africa.

We strictly adhere to government regulations governing the construction industry. We are NCA registered company in the following key constructions categories:

- Road Works
- Building works
- Electrical Engineering Services
- Water Works

OUR MISSION AND VISION

Damao Solutions is founded on the following the tenets that guide our operations and engagement with clients

Our Mission is to achieve the reputation of a quality, high standard & reliable solution & service Provider Company in the ICT industry.

Our Vision is to achieve 100% customer satisfaction by delivering quality products and services at an affordable cost. Our forward vision is to strive to become an entity in technology based corporate solutions, capable of demanding unconditional

response from the targeted niche. We also believe that for our scope of improvisation – sky is the limit and we are always ready to take our achievements to the next level. We are growing and would always like to remain on the growing streak.

Our keys for development:

- Desire for Excellence
- Trust and confidence build-up
- Innovation
- Transparency
- Teamwork

We believe in

- Motivation
- Collective responsibility and leadership
- Professionalism and ethics
- Adding values to our client needs

1.0. OUR VALUES:

1.1.0 ENVIRONMENT SAFETY

Safety is very important to us and is non-negotiable. Safety resonates with our values of care to clients and our employees. At Damao Solutions, Safety, health and environment (SHE) policy and practices center on a zero-harm philosophy towards people, host communities and the environment. It consistently enforces a standard approach to SHE and does not compromise its standards of conduct when operating anywhere.

It is our objective to have an HSSE performance that we can be proud of, to earn the confidence of our customers and to contribute to sustainable development. Accordingly we are committed to achieve the following:

- Reduce the risk to people, the environment and the assets to a level that is as low as reasonably practical.
- Pursue the goal of eliminating all work related injuries and adverse health and environment effects.
- Maintain fully competent and trained workforce.
- Be and be recognized as responsible corporate citizen.
- To manage HSSE to ensure compliance with Kenya and International Legislation or other appropriate and stricter guidelines where these are relevant and to achieve continuous performance improvement.

- To participate fully on issues related to HSSE.

1.2.0 COLLABORATION

Close alignment with our staff, stakeholders and partners brings synergy and cohesion in all our undertakings and delivers superior outcome

1.3.0 QUALIFIED TEAM

Damao Solutions has hired the best personnel who are inspired to deliver the best. At Damao Solutions, we treasure the staff as our key asset backed by their unmatched skills

1.4.0 PARTNERSHIP

We strive to develop close relationships and partnerships with our customers by understanding all their requirements and needs. Close partnership scales projects to higher levels and leads to repeat business.
